A screenshot of a web application interface showing a table of banners. On the left, there is a sidebar with icons for "GIFT CARD", "CUSTOM PRODUCT LABELS", "SALES", and "MOBIKUL". A red arrow points from the "MOBIKUL" icon to the table. The table has columns: "ID", "Image", "Sort Order", "Store View", "Banner Type", "Status", and "Action". There are 4 records in the table. The first record has ID 31 and is highlighted. The table also shows "28 records found" and "20 per page" at the top right.
